

We're making it even easier to manage your accounts with the 24HourFlex Mobile App!

If you have a Flexible Spending Account (FSA), a Health Savings Account (HSA), and/or a Health Reimbursement Account (HRA), the 24HourFlex mobile app is the fastest, most convenient way for you to access and manage your account, keeping you up-to-date on your expenses and account details without slowing you down.

What can you do with the Mobile App?

- ✓ View Account Activity
- ✓ Submit Receipts
- ✓ Make HSA Distributions
- ✓ File Claims
- ✓ Check Card Status
- ✓ Update Notifications

Download the Mobile App

1. Using your mobile device, go to the App Store (Apple) or Google Play Store (Android).
2. Search for "24HourFlex Mobile."
3. Download the 24HourFlex Mobile app. A shortcut will automatically be created on the home screen of your mobile device.

Log In to the Mobile App

If you have never logged in to your account via computer or mobile app, your login credentials will be the following:

- Username:** The first letter of your first name + your full last name + the last four digits of your social security number.
- Password:** The last four digits of your social security number.

For example, a participant named John Smith with a social security number of xxxx-xx-1234 will have a username of JSmith1234 and a password of 1234.

Once you have logged in, please create a new, unique username and password for your account.

For more details on how to use the 24HourFlex Mobile app, visit our employee training page on our website at 24hourflex.com/category/employee-training.
